FY 2017 BONDING PROJECT

Linking the Chester Woods State Trail to existing trails

- The Chester Woods State Trail has 1.4 miles of existing trail base that is ready for bituminous asphalt.
- There are a total of 5.4 miles to finish in this segment.
- The land is currently owned by the DNR and Olmsted County.
- Once finished, this segment will connect Chester Woods with the Rochester City Trail System and the Douglas State Trail.
- 2017 Bonding Request: \$2.25 million
