

Eyota Alert System

During emergency situations, i.e. snow plowing, water main breaks, street closings, etc. the City of Eyota along with Olmsted County Sheriff's Dept has created an alert system. By signing up with this system, you can pick and choose which alerts you receive, and how you want to be notified. We encourage you to use this system. This is an extra effort by the City to inform citizens of emergency situations or important time sensitive information.

Please note that each household can list up to 5 phone #'s and 5 e-mails. We ask that you type or print clearly.

Name: _____

Street Address: _____ (not required)

E-mail: **(at least one address must be included)**

Phone #'s that you would like the information to be sent to:

Please List Cell Phone Carrier (Verizon, Spring, AT&T, T-Mobile, other-insert company name)

Please indicate which means of notification you would like to utilize or if you prefer all three you may do so. **Remember that this will be used for many different reasons and you will want to choose your notification method appropriately!**
