**Park/Maintenance:** Public works report was discussed. The board thought that most of the ball games ended the first week in August; so the fields wouldn't need to be dragged as much. Consensus was to not raise fees for 2020 seeing we had risen some for 2019 which had been for some ball leagues and park shelter rentals.

**Summer Recreation Update:** Ryan Scheevel was present to give an update. The program has been going awesome this summer. The staff has done a wonderful job again this summer. The bike club will be stopping at businesses on July 16 and July 23. Also, due to the construction going on at the school, we will not be able to use the bike trailer this summer. Ryan stated he reached out to parents and had a good response from parents who have pick-ups and trailers and will donate their time to drive on July 30. Ryan also stated that he has had requests to take the adaptive rec participants to some other activities like WOW. This will be something we will look into for next summer. Ryan said that he is already looking into ideas for next year to improve the program and if anyone has any ideas to let him know. Ryan also asked the board for an increase in salary for next year.

**Discuss 2020 Budget:** Secretary Mierau said that Mayor Nelson would like to have the budget recommendations for 2020 finalized at our next meeting in August. Discussion was held. Secretary Mierau to get some more information on what we have in reserves, etc. and e-mail the board the information for review before the meeting so we can get the budget turned in on time.
