### **REGULAR AGENDA ITEMS:**

#### **Menard, Inc. Nail Plant Project:**

Planning Commission held the required public hearing August 19th to take comments regarding the Conditional Use Permit application for the Menards nail plant project. The Commission recommends approving the application and granting the permit with the conditions based on their finding of facts stated in the proposed resolution.

Motion was made by Cornell and seconded by Schuchard to move RESOLUTION #2020-39, RESOLUTION APPROVING A CONDITIONAL USE PERMIT FOR A DISTRIBUTION FACILITY ON PIN #62.10.44.032672, MENARDS NAIL PLANT. Ayes 4, Nays 0. Motion carried. See "Exhibit 6.A.1"

Resolution #2020-28 was previously approved to be submitted with the grant application for utilities, the stub street and turn lanes on Highway 42. Since then the Business Development Infrastructure (BDPI) grant application needs to be edited to remove the request for the turn lanes as they are not eligible in this situation under the BDPI application. The dollar amounts also need to be revised to reflect that change.

Motion was made by Chesney and seconded by Schuchard to move RESOLUTION #2020-40, LOCAL GOVERNMENT RESOLUTION BUSINESS DEVELOPMENT INFRASTRUCTURE APPLICATION UTILITIES AND STUB STREET, \$434,728.00 for the utilities and stub street from Highway 42 into the project area are committed from the #400 Permanent Improvement Revolving (PIR) Fund- All Projects to fully fund the project identified in the application. Ayes 4, Nays 0. Motion carried.

Another resolution is required to be submitted with the grant application pertaining to the proposed turn lanes.

Motion was made by Schuchard and seconded by Cornell to move RESOLUTION #2020-41, LOCAL GOVERNMENT RESOLUTION BUSINESS DEVELOPMENT INFRASTRUCTURE APPLICATION TURN LANES, \$928,787 provide funds committed from the #410 Capital Assets - Reserves Fund. Ayes 4, Nays 0. Motion carried. See "Exhibit 6.A.2"

Nelson wanted it stated for the record questioning why the City needs to be paying for improvements to a State highway. MnDOT should be paying for improvements to their road. Other Council members agreed.

As part of the Menards proposed project, a stub street is required to be constructed on the adjoining land owned by the Pries family. The intent is for the City to purchase the land. Part of the purchasing process is a required Phase 1 Environmental Site Assessment, costing \$1,800.

Motion was made by Cornell and seconded by Chesney to approve entering into the contract with American Engineering Testing, Inc. \$1,800.00 for a Phase 1 Environmental Site Assessment; the cost will come out of the General Fund. Ayes 4, Nays 0. Motion carried.

**Vacate Utility Easement Arendt Subdivision:** This easement vacation was approved at the last meeting. Resolutions to approve a vacation requires a four fifths vote; at the last meeting it passed 3-0. Motion now is a formality to have proper required passage.

Motion was made by Schuchard and seconded by Cornell to move RESOLUTION #2020-35, RESOLUTION VACATING A UTILITY EASEMENT UPON PETITION OF A MAJORITY OF ABUTTING LANDOWNERS. Ayes 4, Nays 0. Motion carried.

**Potentially Dangerous Dog:** July 30, Daniel Rogers and Sarah Brakebill-Hacke's dog, Maggie, bit an adult riding a bike past their residence on Second Street. Daniel Rogers submitted a letter contesting the declaration and spoke to the Council. Current proof of rabies vaccination was submitted. Rogers proposed the following: Maggie will not be outside without an adult family member with her, Maggie will be leaving mid-September with the family for an extended period of time, and if Rogers takes up permanent residency in Eyota the dog will be enrolled in an obedience class. Nelson stated if they purchase the residence they really need to put in a better fence, the current one does not hold in the dogs. Rogers agreed.

Motion was made by Cornell and seconded by Chesney to accept the letter from Rogers and the suggested undertakings to control the dog. Ayes 4, Nays 0. Motion carried. No other action taken.

**Fire Truck and Foam Trailer Purchase Proposal:** Assistant Fire Chief Justin Wendt proposed to the Council to purchase a 2005 Kenworth/Boise Mobile Tanker (fire truck), three-thousand-gallon tank, 22,000 miles, automatic transmission, \$189,000. And a 2004 Stanley-Aepaft commercial foam trailer, five-hundred-gallon tank capacity, deck gun, \$9,995.00. Other specifics were discussed including financing. These are in Nevada and someone would need to fly there to inspect them before purchase. \$35,000 has been donated by Kwik Trip and Magellan Pipeline specifically for a foam apparatus. Bottom line, it will cost both the City and Township \$86,162 each.

Motion was made by Cornell and seconded by Chesney to investigate purchasing the tanker and trailer as presented, pending inspection and Township approval. Ayes 4, Nays 0. Motion carried.

Motion was made by Schuchard and seconded by Chesney to fly two fire department representatives to Nevada to inspect the vehicles, this will include air fare, hotel, and meals. Ayes 4, Nays 0. Motion carried.

**Nuisance Property Status Update:** Deputy Peterson gave a brief update on the clean up status of each property. Council requested specific letters be sent to a few properties and for Knowlton to follow up with the city attorney on specific procedure questions.

**Minnesota Municipal Utilities Association 2020-21 Contract:** Nelson was fine with entering into the contract but questioned invoicing the Eyota Township for half of the fire department cost when the department has not used any of the training offered. The department uses Riverland College for training services. This request came from the Township.

Motion was made by Cornell and seconded by Schuchard to enter into the MMUA 2020-2021 Safety Management Program Contract renewal, for \$9,600.00; but do not bill the Eyota Township for any of the expense. Ayes 4, Nays 0. Motion carried.

**Accounts Payable:** Motion was made by Cornell and seconded by Chesney to approve the accounts payable as presented for a total of \$17,797.23. Ayes 4, Nays 0. Motion carried. See "Exhibit 6.F"

**Other Business:**

State Representative Nels Pierson spoke with the Council on state activities. The Council encouraged a state bonding bill be passed in September. Pierson acknowledged it was nice to see Eyota using the CARES Act money to help local businesses and for things like city election booth replacement.

**Adjourn:** Motion was made by Cornell and seconded by Chesney to adjourn the meeting. Ayes 4, Nays 0. Motion carried. Meeting was declared adjourned at 8:08 p.m.
